

As a result of the Coronavirus crisis, many of our members have unfortunately been laid off. Prior to the pandemic, while on lay off, members were required to pay a \$2.00 per month out of work stamp in order to keep their membership current. Our International President Bob Martinez has granted special dispensation to waive the \$2.00 fee for those laid off as a result of the Coronavirus pandemic. This dispensation is effective immediately and applies to dues delinquencies that began during the months of April and lasting through September. Laid off members whose membership dues become delinquent during these months will automatically receive unemployment stamps up to and including the month of September.
