

Local 701 – Strike Line Assistance

Brothers and Sisters,

Yesterday, roughly 99% of our members in attendance, working at 56 dealerships, authorized a strike as we were unable to reach a deal with the NCDC. We are asking for your assistance by showing your solidarity with our Union Brothers and Sisters on the strike line. With the NCDC unfortunately forcing these members into this position, and our membership's resounding voices being heard loud and clear to strike, now is the time where we can use your help in any way we can. Whether it be support on the line during service hours, before or after your shift or on your day off. Four years ago, several of you even dropped of water or snacks to our members on the line. Your support to them proves how great our Union is heeding the call during their time of need. Let's show our members we stand with them while this unfortunate time is upon us.

We must remember at any time, this could be one of us, and we all would hope to receive the same support in return. Our voices are loud, but our actions can be louder. Let us show that we are all in this together, and let it be shown that this fight is a collective effort.

In Solidarity,

Local 701
