

“The plain fact is that we Americans do a better job of preventative maintenance on our cars than ourselves. We incorrectly assume that high tech medicine means high quality, where actually timely, low-tech, low-cost preventative measures can often do more to improve health.” C. Everett Koop, 13th Surgeon General of the US 1982-1989.

Saturday, October 17, 2026

6:30 am – 12:30 pm

Teamsters Local #731 Conference Center
1000 Burr Ridge Parkway
Burr Ridge, IL 60527
